Dear Peggy:

I am writing to tell you that NCAA Football was the recent winner of an Emmy Award as the Outstanding Sports Series on television. In accomplishing this feat the NCAA series was initially nominated in this category by ABC Sports; was then voted as one of the finalists by a panel of voters selected by the National Academy of Television Arts and Sciences and finally was selected as the winner over four other finalists (Monday Night Football-ABC, NFL Football-CBS, NCAA Basketball-NBC and The PGA Golf Tour-CBS) by a blue ribbon panel.

This award was for the fall of 1979 and represented the first time since the awarding of Emmys that NCAA Football has been so honored.

Obviously, this is a tremendous accomplishment for all of us who have been involved on a regular basis with NCAA Football. I want to sincerely thank you for your contributions to the series and I hope you take the same pride in this award that I do.

We have a great group of people who have worked together with a wonderful camaraderie. It's great when others acknowledge the job we've done. I look forward to working with you in the future.

Sincerely,

Chuck Howard
